

Upgrade Your Lab for Less

Up to 40% off Keysight InfiniiVision Oscilloscopes

Combine Promotions for up to 40% Off

For a limited time, you can get your next benchtop oscilloscope for even less! By combining Keysight's current InfiniiVision oscilloscope promotions, you can reach up to **40% in savings**. With both a hardware discount and free application package, you can tailor your oscilloscope to meet your unique test requirements while staying within your budget.

- 20% off InfiniiVision oscilloscopes (1000 X-, 2000 X-, 3000T/G X-, 4000 X-, and 6000 X-Series)
- Free software application package with a new 3000T/G X-, 4000 X-, and 6000 X-Series

Make Trusted Measurements

InfiniiVision digital oscilloscopes are built around our patented technology to consistently give you the fastest waveform update rates, enabling you to capture infrequent glitches in your design. An intuitive user interface and high-end software applications place automated measurements and accessible expertise at your fingertips.

Start date: June 1, 2023

End date: December 31, 2023

Availability: Americas, Asia Pacific, EMEA, GC (Turkey, Russia, Israel & GC excluded from free software package promotion)

Promotion conditions

Purchase one of the following Keysight InfiniiVision Oscilloscope models from Keysight or an authorized Keysight partner during the promotion period to be eligible for these offers.
